PFOS and PFOA POSITION STATEMENT

August 20, 2012

Atmel Corporation hereby states that its products do not contain any perfluorooctane sulfonates (PFOS) as defined in the European Union Directive 2006/122/EC (30th amendment of the European Union Directive 76/769/EC) or else in negligible / non-detectable trace levels.

- PFOS chemical formula of C\textsubscript{8}F\textsubscript{17}SO\textsubscript{2}X
- X can be OH, metal salt, halide, amide or other derivatives including polymers

In addition to PFOS and its derivatives, Atmel Corporation hereby states that its products do not contain any perfluorooctanoic acid (PFOA) or else in negligible / non-detectable trace levels.

This material content data is based on information provided from third parties and may not have been independently verified by Atmel Corporation through destructive testing methods or other chemical analysis.
